- creating, validating and using appropriate language/literacy and numeracy assessment tools and processes
- maintaining currency of knowledge and skills.

2. Key Relationships

- Academic Manager
- Operations Manager
- College teaching and operations staff
- Assessors and Pathway Advisors
- External stakeholders

3. Key Result Areas (Areas of Accountability and Responsibility)

Client/Relationship Management

Ensures consistent delivery of services to clients by:

- positively shaping the client's first impression of Navitas
- identifying and analysing learner aspirations needs and goals
- planning learning programs which respond to and meet the aspirations, needs and goals of learners
- liaising closely with the college management team to determine the best pathway options for clients
- fostering a positive learning environment to motivate, engage and retain learners
- working as a member of a team and independently
- continually improving use of technology resources and practices
- continually assessing learner progress and achievement
- providing accurate data for recording and reporting of program delivery
- liaising with, and actively promoting, Navitas English's programs, services and expertise in professional forums and to organisations and clients, as required.

Reporting and Administration

Ensure assessment services meet stakeholder and contract expectations by:

- promptly and accurately supplying information to external clients, as required
- maintaining timely and accurate manual and electronic records
- ensuring legislative and contract privacy regulations are understood and implemented
- ensuring client records and personal information are stored securely according to Navitas English privacy policy
- co-operating with other Navitas English staff and external agencies in a way which ensures Navitas English complies with privacy regulations.

Professional Development

Ensures currency of knowledge, skills, materials and modes related to language/literacy and numeracy teaching and assessment by:

- implementing and modelling high standards of work practice and reviewing and critically evaluating own practice
- maintaining up-to-date professional knowledge and skills in the area of TESOL, adult learning, language, literacy and numeracy, as applicable
- participating and contributing to professional and curriculum development programs and taking responsibility for personal professional development
- maintaining up-to-date professional knowledge and skills in the use of technology in the classroom
- continuing to upgrade skills, knowledge and qualifications to meet industry demand/needs
- attending and contributing to college staff meetings to ensure clients' interests continue to be addressed
- contributing to the development and implementation of annual professional and curricula development plans.

Other

- taking reasonable care for the health and safety of staff and students at Navitas English
- cooperating as far as needed to enable Navitas English to comply with regulations involving health, safety and welfare
- carrying out other duties, as reasonably requested.

4. Selection Criteria (Qualifications, Skills and Experience)
